SMART EXPENSE MANAGER

GUIDED BY : DR. SWATI ADEKAR

PRESENTED BY : ADESH G. LOKHANDE

ROLL NO. : MC250005CA

Introduction

- MANAGING SHARED EXPENSES MANUALLY IS DIFFICULT AND CONFUSING.
- FRIENDS, ROOMMATES, FAMILIES, AND TEAMS OFTEN FACE CALCULATION ISSUES.
- THIS PROJECT COMBINES:
  - SPLITWISE CLONE FEATURES
  - PERSONAL EXPENSE MANAGEMENT
- THE APPLICATION AUTOMATES EXPENSE TRACKING AND BALANCE CALCULATION.

Problem Statement

- Manual expense splitting consumes time.
- Users forget payment records.
- Difficulty in tracking who paid and who owes money.
- Lack of transparency in group expenses.
- Existing systems may be complex for normal users.

Objectives

01 CREATE A SMART EXPENSE MANAGEMENT PLATFORM.

02 SIMPLIFY GROUP EXPENSE SPLITTING.

03 AUTOMATICALLY CALCULATE BALANCES.

04 TRACK PERSONAL AND SHARED EXPENSES.

05 MAINTAIN PAYMENT HISTORY AND TRANSPARENCY.

Proposed System

THE SYSTEM ALLOWS USERS TO:

- CREATE GROUPS
- ADD MEMBERS
- ADD SHARED EXPENSES
- SPLIT EXPENSES EQUALLY OR MANUALLY
- TRACK SETTLEMENTS
- MANAGE PERSONAL DAILY EXPENSES
- VIEW REPORTS AND SUMMARIES

Proposed System

SPLITWISE FEATURES

- Group creation
- Expense splitting
- Auto balance calculation
- Settlement tracking

EXPENSE MANAGER FEATURES

- Daily expense tracking
- Category-wise expenses
- Monthly summaries
- Budget monitoring

SYSTEM ARCHITECTURE

- User Authentication Module
- Group Management Module
- Expense Tracking Module
- Balance Calculation Module
- Settlement Module
- Reports & Dashboard Module

Advantages

- Easy to use interface
- Saves time
- Reduces manual calculation errors
- Improves financial transparency
- Secure data management
- Useful for students, roommates, families, and teams

Conclusion

1. The project provides a complete smart expense management solution.
2. Combines Splitwise functionality with personal expense tracking.
3. Helps users manage money efficiently.
4. Demonstrates real-world Django web development concepts.
5. Improves transparency and reduces conflicts in shared expenses.

THANK YOU!
